We are almost there...

Shortly before the holidays, Kodiak Reentry, Inc. (KRI) submitted our Articles of Incorporation to the state and have been approved as a nonprofit corporation. We have been busy completing many tasks such as obtaining business licenses, setting up banking, and many other tasks. We are almost done! Our biggest task has just been completed: filing for the IRS 501c3 nonprofit status. We are now just patiently waiting for the IRS determination of our application.

We recently applied for a grant with the Alaska Dept. of Health and are anxiously awaiting a determination. If approved, we hope to be able to start providing services to individuals returning to Kodiak from incarceration beginning in July. (FY25)

In other news we have vacancies and are recruiting additional board and committee members (no experience required). Those interested should please visit www.kodiakreentry.org/current-board.html to download a copy of our board candidate packet which provides more information and forms to complete. Forms can be returned to: PO Box 8035 or scanned/emailed to kodiakreentry@gmail.com.
